ORDER FOR TAKING CHILD INTO CUSTODY

The Court having heretofore granted a request for taking of the child into custody, the
Court now orders the Clerk to endorse upon the summons an order for the officer serving same
to take the child into custody at once and deliver the child to: _____
for detention at _____ until further order of the Court.

The court finds that given the emergency nature of the situation, reasonable efforts to prevent
removal could not be made and it is in the child's best interest to remove the child from the
home, and that it would be contrary to the health, safety and welfare of the child to remain in the
child's home. DCS may submit to the court within three business days after receipt of this order
a DCS report indicating its concurrence in the placement proposed or any recommendation for an
alternative placement. Placement is an emergency required to protect the health and welfare of
the child for the following reasons:

_____.

The clerk of the court shall provide the DCS with a copy of this order.

So ordered this _____ day of _____, 20____.
